

St Austin's Catholic Primary School

Our Vision

Learn to Love.....

.....Love to Learn

We aim to be a sign of God's presence in the world:

Learn to Love

- *Where each child is a unique individual, made in the image of God, belonging to God.*
- *By providing a caring environment which supports the development of self respect and respect for others.*
- *By nurturing and enriching faith and love for the Holy Trinity and involving all in prayer, worship and liturgy.*
- *By providing children with the opportunity to develop their many potentials so that they can contribute to the growth of God's kingdom as valued members of society, caring for the world and respecting the faith of others.*
- *By caring for others, especially the more vulnerable.*

Love to Learn

- *Ensuring that the curriculum provides the environment in which children can grow in the acquisition of skills, attitudes and values and reach their full potential, knowing that s/he is a valued member of the community.*
- *Where every child tastes success.*
- *Where every child's efforts, progress and achievements are celebrated.*
- *Fostering curiosity, interest, an enquiring mind and enthusiasm by providing stimulating and enjoyable learning experiences.*
- *Encouraging positive relationships through the development of the whole child and recognising parents as prime educators.*

Together in Christ
